

Western Cape - Bavaria/Germany

Two and a half months' (10 weeks) High School Student Exchange Program based on Reciprocity (non-profit)

In cooperation with the Bavarian Youth Council, the School Exchange Bavaria-Western Cape will once again offer a non-profit student exchange program based on reciprocity with Bavaria in Germany.

The basis of this program is that it is a reciprocal exchange: This means that Bavarian students live with a carefully chosen South African partner family and attend the South African high schools for 10 weeks. Conversely, the South African students spend 10 weeks in a Bavarian partner family and school.

Exchange dates:

- End of July/Beginning of August - Mid October 2023 - Bavarian Students in South Africa
- Beginning of May - Mid July 2024 - South African Students in Bavaria
